

# Get the book that has the whole country laughing!

*Humor Us* features real-life stories from America's funniest professionals, including a new story by **Brad Barton**.

A collection of wisdom and advice from 18 of the funniest and hardest working humorists, funny motivational speakers and comedians in America. Does your sense of humor need a kick start? If you crave more laughter, why not learn from folks who are funny for a living? If you think humor is important in your life, and if you need reminders about the creation and maintenance of a positive and humorous attitude, then lucky you — you've found **Humor Us**.
